DAMAC
BAY2
BY CAVALLI

DAMAC
BAY
BY CAVALLI

An aerial architectural rendering of the DAMAC Bay development at Dubai Harbour. The image shows a series of modern, curved high-rise buildings with glass facades and multiple levels of terraces. Each terrace is landscaped with palm trees, lounge furniture, and swimming pools. A large, winding pool with cascading waterfalls runs along the length of the buildings. In the background, the Dubai Harbour is visible, featuring a large artificial island with a Ferris wheel and a marina with several boats. The scene is set during sunset, with a warm orange glow over the water and sky.

REKINDLING DUBAI'S CONNECTION TO THE SEA

DAMAC Bay calls the extraordinary seafront district, Dubai Harbour, its home. An excellent location in more ways than one, Dubai Harbour serves as a gateway that delivers a premier, vibrant and multifaceted luxury maritime experience.

The little ones will never skip a class at the virtual reality school, where educational lessons are laser-projected on a water fountain. Finally, treat your ears to a scintillating performance, or put your own vocal chords to the test at the rooftop Opera Pavilion.

Above the podium, are the luxury 1-, 2- and 3-bedroom units. All of these have been crafted in exquisite detail to provide a stunning seafront lifestyle.
